Brandon - Please see Bev's email below and the attached. I'd appreciate it if BT would work with the State Board of Health to review the specific records to see if there is some explanation for the records not appearing in Jefferson County's hopper. Thanks.

Good morning,

Hope you are staying cool in this horrible heat wave.

I have attached a file of deceased voters that were listed on our Jefferson County Health Department list as having passed away. As yet I have not received anything from that State Department of Health so I can removed them.

Just keeping you up to date on our issue with deceased voters.

Have a great day and stay cool.
